

FREE OR REDUCED COST ENERGY ASSESSMENT

New York State's **Assisted Home Performance with Energy Star Free Home Energy Assessment Program** gives property owners access to a free or reduced cost residential home energy assessment so that you can save money and energy, and be more comfortable in your home.

To qualify, your total household income must fall beneath income guidelines of 200% of your county's AMI. For Monroe County if your household earns less than \$137,000 annually, the energy assessment is free. If your income is more, there is a small, pro-rated fee.

To participate:

1. Download and PRINT this Application Form
2. Fill out the Application Form completely and sign it
3. Include a copy of your current utility bill with your application
4. Send it to NeighborWorks Rochester (see address or the email on the application) and we will submit it to NYSERDA for approval.
5. Once your application is submitted and NYSERDA determines you are eligible, they will

provide a "Reservation Number." You have 90 days to have your assessment completed, by contacting NeighborWorks Rochester:

Email: Energy@NWRochester.org

Phone: 585.327.4710

When the assessment is completed, our BPI-certified technician will provide you with a Home Analysis Report. We will review your results, including a cost-benefit analysis, any safety or health concerns, and solutions tailored specifically for your home.

Most New York homeowners can receive a home energy assessment for free or at a reduced-cost through the Home Performance/Assisted Home Performance with ENERGY STAR® program. The assessments are available on a first come, first served basis.

To qualify, you need to meet these requirements:

1. You must be the owner, or be authorized to sign for the owner, of a 1- to 4-unit residential building.*
2. Your total household income must meet the guidelines on page 2.
3. You must not have previously received a free or reduced-cost assessment on the building listed below.

DETERMINE YOUR HOUSEHOLD INCOME RANGE

If your household income is greater than \$41,360, use the chart below to find where it falls in relation to your county's median income. This will determine the cost, to you, of your home energy assessment (if any).

1. Find your county (this is where the home you wish to have assessed is located).
2. Use the corresponding columns to find the range that includes your household income.
3. Check the appropriate box on the front of the application.
4. Use your household income range from the chart below and the **chart to the right** to determine the cost, to you, of your assessment (if any).
